

FINANCIAL POLICIES & PROCEDURES

Redemption Fellowship is a New Testament, apostolic network of five-fold ministers and churches who are in relationship for the purpose of facilitating the fulfillment of their destiny.

Redemption Fellowship is supported by the tithes and offerings of our ministers and churches, which are tax deductible contributions, deposited in Redemption Fellowship's account and used solely for Redemption Fellowship ministries including: ministry credentialing, covering and counsel to our ministers and churches, conferences, regional meetings, five-fold ministry resources, ministry placement network, New Testament church planting, international evangelism and missions outreach opportunities, and Redemption Fellowship administration.

1. All ministers licensed or ordained by Redemption Fellowship are expected to tithe monthly to Redemption Fellowship according to God's biblical standards.
2. All ministers actively licensed or ordained by a denomination that requires their tithe, may join Redemption Fellowship as full "Members" continuing to tithe to their denomination and also should sow a monthly offering into Redemption Fellowship.
3. All Redemption Fellowship "Certified Ministers" who are serving under their pastor in the local church should continue to tithe to their local church, and also sow a monthly offering into Redemption Fellowship.
4. All Redemption Fellowship Churches and Para-Church Ministries are encouraged to tithe into Redemption Fellowship, but are expected to at least support Redemption Fellowship with their best monthly offering.
5. All offerings for approved Redemption Fellowship projects, church plants, mission's trips (etc..) will be accounted for and distributed only for their designated purpose.
